**BRIEF DESCRIPTION (PLEASE DESCRIBE YOUR PROPERTY):**

Example:  
Each season brings something special to the Izaak Walton Inn. Open year round, the Izaak Walton provides the perfect opportunity to enjoy nature in it's natural form. Enjoy the mountain sides covered in wildflowers and mountain goats in spring, hiking and Glacier National Park in summer, mountain biking and wildlife viewing in Autumn and cross-country skiing in winter. A full service dining room, bar and rec room help to make your stay a vacation to remember for years to come. Vacation packages are also available.

Izaak Walton Inn was voted the 'coziest' cross-country ski center in the Rockies for 1986-87 by Cross Country Skier Magazine. It features a spacious lobby with many years of the Great Northern Railway memorabilia featured.

Ski from Thanksgiving to April on 30 km of machine-groomed and tracked trails or extensive backcountry trails. The ungroomed trails in and around Glacier National Park provide an opportunity to see mountain goats, majestic mountains and have a true 'Montana Wilderness Experience'.

Enjoy fine dining, a relaxing lounge and a Finnish sauna. The Inn is now served by Amtrak. For further information call 406-888-5700.
